For Immediate Release

Exciting Updates on the Edwardsburg Library Construction and Holiday Giving Opportunities!

We are thrilled to share some exciting updates about the ongoing construction of the Edwardsburg Library! As we await the delivery of steel for framing, we're optimistic about a mild start to winter, which will allow us to kick off the next phase of construction—going vertical! The structural steel material has been delayed which will cause some time of inactivity. Early December will see activity resume as crews will be back to start the building structure. Once steel beams and trusses are in place, the exterior framing and sheathing will follow, to get the building dried in by the spring. In addition to our progress on the building, we've also made significant strides with our parking lot. The first layer of asphalt has been poured, marking an important milestone that will enhance accessibility for our community.

As we look ahead to the holiday season, we invite you to consider unique gift options available at the Edwardsburg Branch Library. Our campaign t-shirts, available in both youth and adult sizes, make for perfect presents. Plus, we are proud to collaborate with local business Bolt Laserworks to offer a limited-edition crystal holiday ornament, beautifully depicting the new library. These items not only celebrate our community but also contribute to a great cause!

This season, we encourage everyone to think about making a meaningful contribution to the Our Next Chapter capital campaign. Your support will help us create a lasting impact on the Edwardsburg community and ensure that our library remains a vital resource for years to come.

Thank you for being a part of our journey. Together, we are building a brighter future for Edwardsburg!

For more information on how to support our campaign or to purchase your holiday gifts, please visit the Edwardsburg Branch Library or contact Library Director Barbara Gordon at 269-357-7822 or bgordon@cass.lib.mi.us.
