

## Cass District Library Announces Full Service Saturdays

**CASSOPOLIS, MI – February 17, 2026** – The Cass District Library (CDL) is pleased to announce Full Service Saturdays at the Main and Edwardsburg Branches, effective February 28, 2026, to better serve the needs of the Cass County community.

Both the Main Branch in Cassopolis and the new Edwardsburg Branch, located on Main Street, are extending their Saturday hours. The new Saturday schedule for both locations will be 9:00 AM – 5:00 PM. This change reflects the library's commitment to improving access to its resources, programs, and services for residents whose schedules make weekday visits challenging.

The Edwardsburg Branch will also have expanded hours during the week, matching the hours of the Main Branch. Both branches will be open 9:00 AM – 7:00 PM Monday through Thursday and 9:00 AM – 5:00 PM on Friday.

"We are pleased to offer new public service hours on Saturdays for members of the County and the region," said Library Director Christopher Korenowsky. "When do friends and family want to go to the library? On the weekends! Please join us as we offer extended Saturday hours in these two branches for all your public library needs."

The expanded Saturday hours will allow for more weekend programming, workshops, and community meetings. Patrons are encouraged to visit the library during the new hours to explore the collections, use the public computers, attend events, or simply enjoy a quiet reading space.
